

JAPAN PHOTO EXPEDITION 2011

TOKYO STYLE

4,5,6 September 2011

KYOTO ZEN

8,9,10 September 2011

Join our photo expedition to **JAPAN** by taking part in a photographic workshop in two outstanding locations.

Ever dreamt of realizing a photo project but never succeeded?

We will help you succeed by defining a photographic theme with you before the expedition, and coach you in Japan through its development which will result in a collection of images for display and print.

Connect with the people, culture and philosophy of Japan through your camera. Learning by doing, you will improve your photographic skills in memorable places and moments.

We will be holding two workshops, the first in Tokyo the second in Kyoto. Students will have the opportunity of joining both workshops. Each workshop will provide two different levels: beginners and advanced.
